Over **75%** of students admitted to Ivy League schools participated in a highly selective summer program

Securing summer programs, research positions, and internships is crucial to showcase your **interests** and **experience**. Our counselors and editors can help you with **every aspect** of the summer program **application process!**

HOW IT WORKS

✓ Step 1

Work with our college experts to build a summer programs list tailored to you.

We have a one-of-a-kind database with hundreds of high-value summer programs and know what it takes to get in.

✓ Step 2

Pick up to 5 summer programs to apply to – and devise an application strategy for each.

Brainstorming essay topics, tailoring your activities list, etc.

✓ Step 3

Craft compelling and persuasive essays to gain admission.

Elite's experienced editors will help you develop your topic and craft polished essays to increase your odds of admission.

✓ Step 4

Create a resume to highlight your experiences and strengths.

Stand out from the crowd and present the best possible version of yourself in your college applications.

✓ Step 5

Receive guidance on obtaining the best recommendation letters possible.

Learn what colleges truly value in applicants and get top-tier recommendations that highlight those qualities.

✓ Step 6

Compare summer program admissions offers – and pick the best option for you!

Choose the program that will offer the most meaningful experience and prepare you to succeed in college and beyond.

6 One-on-One Counselor Meetings + 2 One-on-One Editor Meetings • Contact us for tuition info

"If it weren't for Elite, I never would have thought to apply for COSMOS. Not only did I get into the program, but it helped me figure out what I want to do – and gave me something awesome to write about in my college essays!"
