

COLLEGE APPLICATION SERVICE FOR JUNIORS

STARTING JANUARY 2024

What's the #1 MISTAKE that prevents students from getting into their top-choice colleges?

Waiting until senior year to think about college applications.

When it comes to college prep and building an effective admissions strategy, starting earlier is always better!

Your Elite counselor will work closely with you to create a unique, personalized master plan, making sure you're **prioritizing what matters**, helping to **maximize your high school experience**, and keeping you **focused and accountable** through your entire college admissions journey, all the way through final applications and acceptance.

Begin in January and continue through high school graduation:
