ELITE COLLEGE CONSULTING

FOR STUDENTS IN GRADES 8-11

Multi-Year Admission Counseling for Students in Grades 8-11

Work with the admissions experts to create a **master plan** and get **personalized guidance** through your **entire college admissions journey**.

Students Will Work with Their Elite Counselor on Every Aspect of College Readiness

4-Year Course Plan

Find out exactly which classes to take (both in and outside of school) to maximally impress colleges, while optimizing GPA and course rigor.

Standardized Test Plan

Create a customized plan to target 99th percentile SAT, ACT, and/or PSAT scores. Also, discover when and how to study for AP/IB exams.

Extracurricular Plan

Learn what colleges actually look for and how you can leverage your interests and talents to take your extracurriculars to the next level.

Summer and Winter Break Plan

Discover the best summer programs based on your intended major and interests. Get help applying with 1:1 essay editing and application review.

Awards & Honors Plan

Enter exclusive competitions—both academic and non-academic—with Elite’s guidance. Gain access to Elite’s list of high-value competitions.

College List Plan

Build a thoughtful, well-balanced college list that takes into account your individual background, goals, interests, and values.

Letters of Recommendation Plan

Secure outstanding recommendation letters from your teachers and counselor by learning what colleges truly value in prospective students.

Personal Development Plan

Take in-depth personality and aptitude tests and gain a better understanding of yourself by reviewing your results with your Elite counselor.

All Consulting Packages Include Elite College Application Services

When it's time to bring all your hard work together, our expert counselors and editors will work with you to perfect your essays and craft a winning application package that shines a light on who you are and what you've achieved.

Packages include support for UC applications, the Common App, Coalition Application, and private school applications.

- ✓ UC Personal Insight Questions Editing
- ✓ Personal Statement Editing
- ✓ Supplemental Essays Editing
- ✓ Extracurricular Activities Strategy
- ✓ Best-Fit College List Building and Selection
- ✓ College Major Advice
- ✓ College Interview Coaching
- ✓ One-on-One Essay Editing
- ✓ Counselor Strategy Sessions
- ✓ Letters of Recommendation Advising
- ✓ Early Admission Applications (EA/ED/REA/SCEA)

SUMMER PROGRAM APPLICATION SERVICES

SPRING 2024 SESSION

Prepare for **SUMMER 2024** program and internship applications now!

Over **75%** of students admitted to Ivy League schools participated in a highly selective summer program

Securing summer programs, research positions, and internships is crucial to showcase your **interests** and **experience**. Our counselors and editors can help you with **every aspect** of the summer program **application process!**

HOW IT WORKS

✓ Step 1

Work with our college experts to build a summer programs list tailored to you.

We have a one-of-a-kind database with hundreds of high-value summer programs and know what it takes to get in.

✓ Step 2

Pick up to 5 summer programs to apply to – and devise an application strategy for each.

Brainstorming essay topics, tailoring your activities list, etc.

✓ Step 3

Craft compelling and persuasive essays to gain admission.

Elite's experienced editors will help you develop your topic and craft polished essays to increase your odds of admission.

✓ Step 4

Create a resume to highlight your experiences and strengths.

Stand out from the crowd and present the best possible version of yourself in your college applications.

✓ Step 5

Receive guidance on obtaining the best recommendation letters possible.

Learn what colleges truly value in applicants and get top-tier recommendations that highlight those qualities.

✓ Step 6

Compare summer program admissions offers – and pick the best option for you!

Choose the program that will offer the most meaningful experience and prepare you to succeed in college and beyond.

Four 30-Minute Counseling Sessions + Three 60-Minute Essay Sessions • Contact us for tuition info

"If it weren't for Elite, I never would have thought to apply for COSMOS. Not only did I get into the program, but it helped me figure out what I want to do – and gave me something awesome to write about in my college essays!"

Kenneth C. • Stanford University

SUMMER APPLICATIONS ARE DUE SOON • CONTACT OUR OFFICE TO ENROLL TODAY!

ELITE MATH COMPETITION CLUB

LEAD EXTRACURRICULAR • SPRING 2024

Spring Session: January 10 - March 30, 2024 • Online Classes

The Elite Math Competition Club helps top math achievers prepare for challenging and selective math competitions, giving them the analytical experience and problem-solving skills to qualify for exams and prepare for future STEM careers.

LOWER DIVISION: GRADES 6-8

Saturdays @ 10:00-11:30am PT

UPPER DIVISION: GRADES 9-10

Wednesdays @ 5:30-7:00pm PT

Build Foundational and Advanced Math Skills

In the Elite Math Competition Club, we start by reinforcing the fundamentals to ensure that they're rock solid. Then we build upon them to take you to the next level. We'll focus on reviewing past material, mastering new concepts, and developing proven test-taking techniques—skills that will both help prepare you for challenging math competitions like the AMC 8/10/12 and ensure that you're ready for your next level of math courses in high school or college.

Strengthen Your Resume and College Apps

Qualifying scores in prestigious math competitions can have an enormous impact on a student's chances of acceptance to top STEM schools, such as MIT, Caltech, Harvey Mudd, UC Berkeley, and more.

- American Math Competitions AMC8/10/12
- American Invitational Mathematics Examination (AIME)
- USA Mathematical Olympiad
- Mathematical Olympiads for Elementary and Middle Schools
- Continental Mathematics League
- MathCON National Student Math Competition
- Caribou Mathematics Competition

Please contact us for tuition and program details.

PRE-MED RESEARCH PROPOSAL PROGRAM

LEAD EXTRACURRICULAR • SPRING 2024

Pre-Med Track

Program Instructor

Dr. Jeenah Clattenburg
Johns Hopkins University
PhD, Human Genetics

Lectures: Mondays @ 6:30pm-8:30pm (2/12-26)

Takeaways

- Participating students will leave the program with a 7-10 page research proposal on the topic of their choice
- Passing students will receive a certificate of completion and may be eligible for an official academic achievement (e.g. "Best Proposal in the Field of Human Genetics")
- Students will gain valuable knowledge and experience that can be shared in college application personal statements and supplemental essays

8-Week Online Program For Students in Grades 10-12

February 12 - April 5, 2024

2/12 - 2/26	Weekly Lectures (3 Weeks)
3/4 - 3/16	One-on-One Guidance (2 Weeks)
3/18 - 4/5	Writing Phase (3 Weeks)

The LEAD: Research Proposal Program is a great opportunity to learn and develop your research skills in preparation for college. Students will meet with Elite's expert instructor, Dr. Jeenah Clattenburg, to learn about Pre-Med research methods and to develop their own research proposals.

Interested in a career in science or medicine but have no experience in those fields? Through this program, you'll be able to research a topic specifically related to your college major selection, demonstrate your intellectual curiosity, and express interest in your field of study.

Please contact us for tuition and program details.

LEAD EXTRACURRICULARS

SPRING 2024 SESSION

Business Case Competition | 8 weeks • Live Online Classes

February 22 - April 11 (8 weeks) • Thursdays @ 8:00pm-10:00pm PT

Grades 9-12

Learn the fundamentals of finance and how to perform strategic analysis of companies and industries. Explore business case studies and participate in a live, college-style case competition. Perfect for aspiring business, economics, accounting, and finance majors.

Fundamentals of Code Development | 8 weeks • Live Online Classes

January 23 - March 15 (8 weeks) • Tuesdays @ 5:00pm-7:00pm PT

Grades 8-10

Learn the basics of coding in a beginner-friendly, game development context. Learn the core concepts of Python in class lectures and put them to practice during hands-on labs. Excellent for beginners who want to pursue computer science in college.

Machine Learning Projects | 8 weeks • Live Online Classes

January 23 - March 15 (8 weeks) • Thursdays @ 5:00pm-7:00pm PT

Grades 10-11

Explore the basic concepts of Machine Learning through hands-on labs and lectures. Discover tools and data sets used in the field, and finish the program with your very own Machine Learning project.

Math Competition Club | 12 weeks • Live Online Classes

January 10 - March 30 (12 weeks)

Grades 6-10

Lower Division (6th-8th graders) • Saturdays • 10:00am-11:30am PT

Upper Division (9th-10th graders) • Wednesdays • 5:30pm-7:00pm PT

Prepare for math competitions including the AMC 8/10/12, MOEMS, AIME, and USAMO. Gain the analytical experience and problem-solving skills to build great college applications and prepare for future STEM careers.

Research Proposal Program | 8 weeks • Live Online Classes

February 12 - April 5 (8 weeks)

Grades 10-12 • Pre-Med - Dr. Clattenburg (Johns Hopkins PhD)

Lecture Phase: Feb 12-26 (3 weeks) • 1:1 Guidance: March 4-16 (2 weeks) • Writing Phase: March 18 - April 5 (3 weeks)

Lectures: Mondays @ 6:30pm-8:30pm PT (2/12-26)

Develop a research proposal with a college professor. Showcase your intellectual curiosity and ability to take on rigorous projects. Strong reading and writing skills required.
