

Summer 2024

Research Proposal Program

LEAD Extracurricular Program • Grades 10-12 June - August 2024 • 8 Weeks

- Weekly Lectures (3 Weeks)
- One-on-One Guidance (2 Weeks)
- Writing Phase (3 Weeks)

The LEAD Research Proposal Program is a great opportunity to learn and develop your research skills in preparation for college. Students will meet with Elite’s expert instructors to learn about research methods and to develop their own research proposals.

Interested in applying for a specific major but have no experience in that field? Through this program, you’ll be able to research a topic specifically related to your college major selection, demonstrate your intellectual curiosity, and express interest in your field of study.

Choose from 4 research tracks:
